Description

Webster's paperbacks take advantage of the fact that classics are frequently assigned readings in English courses. By using a running English-to-Indonesian thesaurus at the bottom of each page, this edition of *The Last of the Mohicans* by James Fenimore Cooper was edited for three audiences. The first includes Indonesian-speaking students enrolled in an English Language Program (ELP), an English as a Foreign Language (EFL) program, an English as a Second Language Program (ESL), or in a TOEFL[®] or TOEIC[®] preparation program. The second audience includes English-speaking students enrolled in bilingual education programs or Indonesian speakers enrolled in English-speaking schools. The third audience consists of students who are actively building their vocabularies in Indonesian in order to take foreign service, translation certification, Advanced Placement[®] (AP[®]) or similar examinations. By using the Webster's Indonesian Thesaurus Edition when assigned for an English course, the reader can enrich their vocabulary in anticipation of an examination in Indonesian or English. TOEFL[®], TOEIC[®], AP[®] and Advanced Placement[®] are trademarks of the Educational Testing Service which has neither reviewed nor endorsed this book. All rights reserved.
