### Description

**2 000 expressions anglaises et françaises tirées du vocabulaire de la mer et de la navigation.**

Non ! En anglais, " Ce n'est pas la mer à boire " ne se dit pas " It's not the sea to drink ", mais " It's no big deal " ou " It's not that tough ".

Les expressions de la mer et de la navigation abondent dans les deux langues, mais – on l'aurait parié –, l'anglais et le français n'envisagent pas toujours les choses de la même façon ! Cet ouvrage recense un grand nombre de ces expressions de la langue de tous les jours qui vous permettront de donner plus d'authenticité à votre anglais... et d'être, dans cette langue, " comme un poisson dans l'eau " (qui, on le rappelle, ne se dit pas " to be like a fish in water " mais " to be in one's element ").
